Financial sanctions imposed in addition to an asset freeze: Trust services. Date trust services sanctions imposed: 31/07/2023. (UK Statement of Reasons)Judge Vitaly BELITSKY is an involved person under the Russia (EU Exit) (Sanctions) Regulations 2019. BELITSKY was one of three judges who presided over the politically motivated trial of Vladimir Kara-Murza on charges including disseminating false information about the Russian Army under part 2 of article 207.3 of the Russian Criminal Code, one of the so-called "fake news" laws. The prosecution of Kara-Murza is widely considered to be politically motivated. This law and its application and enforcement by prosecutors and courts is a result of the Russian Government's policy to prevent the Russian public from knowing the truth about the conflict in Ukraine. This policy prevents the spread of accurate information about the conflict in Ukraine, anti-war sentiment and dissent, which would reduce public support for and undermine the Russian Government's ability to wage the war. In this way, the policy is facilitating the continuation of the war, which is destabilising Ukraine and undermining its territorial integrity and sovereignty. BELITSKY's role as a judge in the trial of Kara-Murza shows that he is providing support for this policy. Therefore, BELITSKY is an involved person because he is providing support for a policy that is destabilising Ukraine and undermining its territorial integrity and sovereignty. This law was enacted as a result of, and its application and enforcement by prosecutors and courts is a result of, a Russian Government policy aimed at preventing the Russian public from knowing the truth about the conflict in Ukraine and intimidating those willing to criticise it and to provide accurate information about the conflict. This policy prevents the spread of accurate information about the conflict, anti-war sentiment and dissent that would undermine the Russian Government's ability to wage the war by reducing the support of the Russian population. In this way, the policy is facilitating the continuation of the war, which is destabilising Ukraine. KOLESNIKOV's approval of the decision to petition the arrest of Vladimir Kara-Murza amounts to providing support for this policy. Therefore, KOLESNIKOV is an involved person because he is providing support for a policy that is destabilising Ukraine. (UK Statement of Reasons):DMITRI ALEKSEEVICH LEBEDEV, hereafter LEBEDEV, is the Chairman of the Board of Directors at Bank Rossiya and Managing Director and Co-Chairman of the Board of Management of ABR Management, and a member of Board of Directors of SOGAZ JSC, (both of whom are affiliates of Bank Rossiya), one of Russia's largest insurers. As Chairman of the Board of Directors at Bank Rossiya and a Member of the Board of Directors at SOGAZ, he is involved in carrying on business in a sector (financial services) of strategic significance to the Russian Government. Bank Rossiya is a Russian bank privately owned by elite Russian billionaires with direct links to Vladimir Putin. Since the annexation of Crimea, Bank Rossiya has opened branches across Crimea and Sevastopol, and provided travel cards for the public to travel across the peninsula thereby supporting the integration of Crimea and Sevastopol into the Russian Federation through the financial system. Bank Rossiya has also contributed to the provision of insurance and investment throughout Crimea and Sevastopol and services to support military capability and major transport links. SOGAZ JSC, the largest insurer in the Russian corporate sector, insured the construction of the railway infrastructure connecting the bridge over the Kerch Strait and the Port of Taman and reinsured the construction of the bridge over the Kerch Strait between the Russian mainland and the Crimean peninsula. In doing so, SOGAZ supported the illegally annexed Crimean peninsula into the Russian Federation which in turn further undermined the territorial integrity, sovereignty and independence of Ukraine. LEBEDEV therefore is involved in carrying on business in a sector of strategic significance to the Russian Government, has obtained a benefit from or is supporting the Russian Government by working as a director or equivalent of a company which carries on business in sectors of strategic significance (financial services) to the Government of Russia, and has supported activities which destabilise Ukraine and undermine and threaten its sovereignty, independence and territorial integrity. (UK Statement of Reasons):Judge Elena LENSKEYA is an involved person under the Russia (EU Exit) (Sanctions) regulations 2019. LENSKEYA approved the politically motivated arrest of Vladimir Kara-Murza for disseminating false information about the Russian army under section 2 of article 207.3 of the Russian Criminal Code, one of the so-called "fake news" laws. This law was enacted as a result of, and its application and enforcement by prosecutors and courts is a result of, a Russian Government policy aimed at preventing the Russian public from knowing the truth about the conflict in Ukraine and intimidating those willing to criticise it and to provide accurate information about the conflict. This policy prevents the spread of accurate information about the conflict, anti-war sentiment and dissent that would undermine the Russian Government's ability to wage the war by reducing the support of the Russian population. In this way, the policy is facilitating the continuation of the war, which is destabilising Ukraine. LENSKEYA's decision to grant the request for the arrest of Vladimir Kara-Murza amounts to providing support for this policy. Therefore, LENSKEYA is an involved person because she is providing support for a policy that is destabilising Ukraine. (UK Statement of Reasons):State Prosecutor Boris LOKTIONOV is an involved person under the Russia (EU Exit) (Sanctions) Regulations 2019. LOKTIONOV was lead state prosecutor in the politically motivated trial against Vladimir Kara-Murza, who was found guilty of three charges, which included that of disseminating false information about the Russian Armed Forces under Part 2 of Article 207.3 of the Russian Criminal Code, also known as the "fake news" law. This law and its application and enforcement by prosecutors and courts is a result of the Russian Government's policy to prevent the Russian public from knowing the truth about the conflict in Ukraine. This policy prevents the spread of accurate information about the conflict in Ukraine, anti-war sentiment and dissent, which would reduce public support for and undermine the Russian Government's ability to wage the war. In this way, the policy is facilitating the continuation of the war, which is destabilising Ukraine and undermining its territorial integrity and sovereignty. LOKTIONOV's role as lead state prosecutor in the trial of Kara-Murza, requesting a 25-year prison sentence for him, demonstrates his support for this policy. Therefore, LOKTIONOV is an involved person because he is providing support for a policy that is destabilising Ukraine and undermining its territorial integrity and sovereignty. MIKHEEV was the state prosecution's "expert" witness in the trial against Vladimir Kara-Murza, who was found guilty of three charges, including disseminating false information about the Russian Armed Forces under Section 2 of Article 207.3 of the Russian Criminal Code, also known as the "fake news" laws. The enactment of this law and its application and enforcement by prosecutors and courts is a result of a Russian Government policy aimed at preventing the Russian public from knowing the truth about and intimidating those willing to criticise and provide accurate information about the conflict in Ukraine. This policy prevents the spread of accurate information about the conflict in Ukraine, as well as anti-war sentiment and dissent, which would reduce public support for the war and undermine the Russian Government's ability to wage the war. In this way, the policy is facilitating the continuation of the war, which is destabilising Ukraine and undermining its territorial integrity and sovereignty. Mikheev's role as an "expert" witness in the Kara-Murza case and another "fake news" case shows that he is providing support for this policy. Therefore, MIKHEEV is an involved person because he is providing support for a policy that is destabilising Ukraine and undermining its territorial integrity and sovereignty. **DOB:** 28/07/1972. **POB:** Russia **Nationality:** Russia **Address:** The Prosecutor General's Office of the Russian Federation, str. Financial sanctions imposed in addition to an asset freeze: Trust services. Date trust services sanctions imposed: 31/07/2023. (UK Statement of Reasons) State Prosecutor Anna Evgenievna POTYCHKO is an involved person under the Russia (EU Exit) (Sanctions) Regulations 2019. First, POTYCHKO was part of the prosecution team in the criminal proceedings against Vladimir Kara-Murza, appearing in the Moscow City Court for the prosecution on 18 May 2022, arguing against the defence's appeal from the order of the District Court to keep Kara-Murza in custody during the trial. Kara-Murza was subsequently found guilty of three charges, including disseminating false information about the Russian Armed Forces under part 2 of Article 207.3 of the Russian Criminal Code, one of the so-called "fake news" laws. POTYCHKO was also involved in the criminal proceedings against Ilya Yashin under the same law, and made public comment regarding preventing Yashin from expressing anti-war views to journalists during those proceedings. This law and its application and enforcement by prosecutors and courts is a result of the Russian Government's policy to prevent the Russian public from knowing the truth about the conflict in Ukraine. This policy prevents the spread of accurate information about the conflict in Ukraine, as well as anti-war sentiment and dissent, which would reduce public support for the war and undermine the Russian Government's ability to wage the war. In this way, the policy is facilitating the continuation of the war, which is destabilising Ukraine and undermining its territorial integrity and sovereignty. POTYCHKO's involvement as part of the prosecution team in the criminal proceedings against Kara-Murza, her appearance on behalf of the prosecution to oppose the appeal against preventative detention, and her involvement in and statement regarding the proceedings against Yashin demonstrate that she is an involved person because she is providing support for a policy that is destabilising Ukraine and undermining its territorial integrity and sovereignty. Second, POTYCHKO is associated with an involved person, namely, Andrey Zadachin. Zadachin was designated by the UK Government on 21 April 2023 for his role as investigator in the criminal proceedings against Kara-Murza. Zadachin and POTYCHKO were both part of the prosecution team for the criminal proceedings against Kara-Murza, and therefore hold, or have held, a professional association.
